Dear Dr. Giuseppe Tonutti Director of the Hospital Assistance Department of the Regional Health Directorate of Friuli Venezia Giulia,  
And Director General of AAS2 Bassa Friulana Isontina Dr. Antonio Poggiana.

We are writing to invite Dr. Cristina Aguzzoli, Coordinator of the Regional HPH Friuli Venezia Giulia Network to take part in the teaching panel for this year's HPH Newcomers Workshop.

The newcomers workshop takes place 2:00 PM – 5:00 PM in Bologna on Tuesday June 5, 2018.

The HPH Newcomers Workshop is held each year in relation to the international HPH Conference and the workshop offer the opportunity to get to learn about the international HPH Network and some of the inspiring ongoing projects and set-ups in the network.

We hope Ms Aguzzoli will have the possibility to give participate as a teacher in the workshop and give a presentation about the tremendous work she and the HPH Friuli Venezia Giulia Network is doing on health promoting in the region. We have come to learn about some of the many inspiring examples on how the HPH Friuli Venezia Giulia Network has succeeded in involving the surrounding community in the important work of health promotion. The System What's up and the positive results the project have had for juveniles would be of great interest for the participants at the newcomers workshop, and we therefore hope that Dr Aguzzoli will be given the opportunity to present the work on the project and the work of the HPH Friuli Venezia Giulia Network in general at this year's HPH newcomers workshop.
