

HPH Membership Application

How to join the International HPH Network

Hospitals, health services, or organizations wishing to join the HPH Network, should first check whether a national/regional HPH network exists in their country or region. You can visit our website to see established national and regional networks: www.hphnetwork.org/members

If a national/regional HPH network exists, please forward your application to the designated national/regional HPH coordinator for approval. The national/regional HPH coordinator will then forward your application to the International Secretariat.

If there is no coordinator in your country or region, please send your application directly to the International HPH Secretariat:

New HPH Members

Any new organization applying for membership must fill out and submit an application form. This form affirms the intent of your hospital or health service to abide by the HPH Constitution and aim to implement health-promoting activities, strategies, and policies.

Renewing HPH Members

All HPH members must renew their membership every four years by filling out an application form. This re-affirms your commitment to the HPH network and allows the Secretariat to update changes in staff and contact details.
